Wednesday Watercolourists

GROUP STATEMENT

Wednesday Watercolourists is a group of artists who meet every Wednesday or other opportunities and have done so for the last ten or more years to explore and participate in their passion for watercolour painting, learning from and enjoying each other's talents and company. They often take part in various workshops, national and international, local exhibitions and visit galleries and other painting opportunities.

The chosen charity is WAGEC (Women and Girls' Emergency Centre) in light of the continued rise in domestic violence in this ongoing climate of uncertainty and hardship.

WAGEC is a feminist, grassroots organisation that supports women and families in crisis and advocates for social change in the community. They are based in Redfern, Sydney and is a registered charity of the ACNC. Every night, they support around 200 women and children impacted by homelessness, domestic violence and systemic disadvantage, by providing material aid, case management, bio-psycho-social support, accommodation, and crisis responses. Equally they seek to address the underlying causes of gender-based violence through primary prevention activities with communities and private and public entities that want to be a part of the global movement to end gender-based violence in a generation.

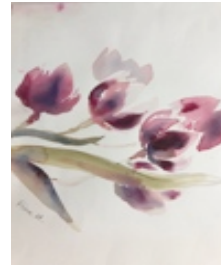

GROUP SUPPORT: Wednesday Watercolourists will donate 10% of proceeds to Women & Girls' Emergency Centre, and encourage people, even those not purchasing a work, to make a donation. Website: <https://www.wagec.org.au/>
